## Words from the President

*What one sincerely hopes and dreams about does come true, provided it is backed and activated by endeavours. Now we see our endeavours expanding like the petals of young flowers, to quote HenryLouis Vivian Derozio.*

*Today's scholars of multi-disciplined courses are to embark on novel enterprises since the global scenario unfolds rhythmically. Of course, they are qualified people to contribute to the society of tomorrow. Apart from jobs in varied sectors, self-employment is sure to come their way. Added to this is the fact that our endeavours set and committed to provide sophisticated infrastructure and resources to its scholars in tune with the evolving trends and trades related to concerned sectors. Quite confidently, the trainees, students here get duly familiar with the chequered career of Certificate holders. It is worth mentioning that our vision to develop a congenial environment near Bolpur, Santiniketan is being steadily rendered into reality. That our Institution grows up day by day with vision, vigour and virtuosity becomes quite evident everywhere as soon as one steps inside the campuses. Our trainees, students and staffs realize fairly well how we materialize meticulously what we visualize for a better and truly brighter tomorrow. We keep in mind what Bill Gates says, "If you can't make it good, at least make it look good". Almost daily SBG ITI PVT. LTD takes a new step towards improvement, be it academic, infrastructural or environmental. It is a delightful point to note that we in the management deem it a great achievement on our end if the hopeless youths of rural Bengal with quality achievement from the different Institutions find themselves self-dependent professionals in their struggle for existence ahead.*

*Hope dies hard, and it, at the same time, is a common human nature to resolve for turning over a new leaf even in the face of odds. So I welcome you all to help our endeavours go ahead in new tracks with new records of achievements. Thank you and wish you all sunny seconds.*

**Malay Pit**  
**President**

## Principal Message

*I am delighted to welcome you to Government ITI Binpur-ii, a leading center for INDUSTRIAL TRAINING INSTITUTE in this part of the world. We started our journey in the year of 2019 by 'Sbg ITI Private Limited' in ecofriendly atmosphere to fulfill the motto of quality Education.*

*Education is must for both men and women equally as both together make a healthy and educated society. It is an essential tool for getting bright future as well as plays a most important role in development and progress of the country.*

*There is huge scope to develop this ITI thereby catalyzing the mainstreaming of alienated rural youth by providing them access to productive & decent work through skill development route. I strongly believe that through SKILL TRAINING. We can convert this ITI into a skill hub of this Aspirational Jhargram Districts by providing de-novo skilling to fresher, up-skilling to ITI graduates, re-skilling to existing workers with special emphasis to women and disadvantaged section of the society.*

*As a new joiner, I am highly obliged to serve in Electrician, Fitter, Welder, Surveyor, MMV, Wireman, COPA and Sewing Tech. of esteemed institution. Discipline is one of the main mottos of our organization.*

*ITI Trainees work in various specialized area like railway, automotive system, various industry sectors, design engineering, dynamic system and control, power plant engineering, etc. and most importantly in software field also.*

*The institute has well qualified and experienced faculty members and they are committed to excellence in teaching. Interactive relationship is maintained between students and the staff which enables the students to develop sound foundation. The faculty aims at putting extra ordinary effort towards motivating the students in solving actual industrial problems by undertaking various projects, industrial visits and in-plant training. The Institution is actively associated in grooming the trainees in ITI by nurturing them with inputs from various basic and specialized subjects.*

*I am personally satisfied to serve this department along with cooperative faculty members and help students to be well skilled trainees in recent FUTURE.*
